REDWOOD CITY GETS NEW SITE FIRE HOUSE FROM SCHOOL DISTRICT

At a meeting of voters of the Redwood City school district school, necessary legal action was taken instructing the school trustees to sell and convey to the town of Redwood City a piece of property belonging to the district and located on Webster street, opposite the town hall, as a site for the new central fire house. County Auditor J. J. Shields acted as chairman of the meeting

and Henry Steinberger, secretary. The property conveyed to the city is a strip one hundred feet square. The new fire house was voted for by the electors of Redwood City at the municipal election May 27th. The building will cost \$25,000. Plans have been already accepted by the trustees, the architect being J. W. Miller, and the contract will probably be awarded within the next month.

DEER SEASON DRAWING TO A CLOSE IN COUNTY

The season for taking and killing deer closes on Sunday, September 14 at midnight. The season about to close has been a very successful one. More deer were killed in the county this year by hunters than ever in the history of the peninsula. Many of the hunters secured the limit of two bucks. The season will not close in other sections of the state for some time later. San Mateo county is the first in the state to close.

The tree squirrel season opens on September 21. Only 12 can be shot in a season. The rodent is plentiful in Kings Mountain and on the coast side of the county.

The duck and quail season opens on October 16. Ducks are beginning to come to the local marshes from the north. During the week there was a large flight to teal. Shooting will be good this season. Quail are reported plentiful in the hills at Torrey and at San Gregorio. The rabbit season opens on November 15 and closes on January 31. The limit is 15 in one day and 30 in a week.

The fall season is still closed but it is understood that sportsmen are going to make an effort to open it next year. The marshes are all fairly alive with the birds. The season has been closed for a number of years. This was done to prevent the extermination of the bird as they were being slaughtered by the hundreds by the pot hunter. The season will most likely be opened for a short time when it will again be closed for the protection of the birds.

AUTOS PLAY LEAP FROG IN CRASH LAST TUESDAY

One machine leaped halfway over another in an automobile collision on the state highway near Redwood City Tuesday afternoon. Vincent Morabigo of 62 Divisadero street, San Francisco, was coming into the highway from a side street when he struck the automobile of Samuel Dennis, Fourteenth street, San Francisco, who was on the main road. The impact threw the Morabigo car halfway over the other. All occupants escaped with only slight injuries.

The pleasant home of E. Ted Thompson on Stambaugh street was the scene of merriment on Thursday evening. Youth and beauty were there to chase the fleeting hours away. Three pretty and winsome maidens on the block were the motif of the gaiety, they are soon to wed and the affair was given in their honor. These happy, care free and cheerful girls who are soon to assume all the responsibilities of life are: Miss Florence Einstein, Miss Norma Jacobus and Miss Marguerite Muller. The young ladies were the recipients of numerous valuable presents from their friends present. Delightful refreshments were served during the evening by the host and hostess. Mrs. Pohl, who has been employed at various times in the auditor's office has been appointed to fill the vacancy. She is a clever accountant and a very amiable young woman. She resides at Burlingame.

KNOX SEES FUTURE CONFLICTS HIDDEN IN PEACE PACT

Asserting that the pending treaty will lay the foundation "for centuries of blood letting," Senator Knox criticized features of the treaty in severe terms. He held the United States should refuse to become a party to the settlement and should make a separate peace with Germany. "I see no reason," said Senator Knox, "why we should be parties to imposing upon Germany a treaty whose terms, our negotiations say, she will not be able to meet; a treaty that robs our ancient friend, China, in a way disapproved by our own negotiators; a treaty that lays the foundation for centuries of blood letting into which we should not be drawn; a treaty that, contrary to our own judgment, fails to fix the amount of indemnity to be paid, leaving that vast question to the whim of a majority of a commission on reparations; a treaty predicated upon the assertion that a stricken and helpless world requires our counsel and our support, but leaves to the beneficiaries the decision as to the measure and character of the benefactions they are to receive; a treaty that with ominous words presages our involvement in the eruptions of suppressed volcanic world conditions; a treaty that would require us to underwrite all the regional understandings between nations recognized by the League, most of which are based upon oppression of weaker nations, many of which are as yet secret and undisclosed, and when disclosed might drive us to acts of injustice similar to that in which the President felt himself were waking to the true issue as the facts about the Versailles negotiations leaked out. "Little by little," continued Senator Knox, "they are bringing divulgence of the facts connected with the treaty and they may now hope finally to see the whole of the great gaunt tragedy into which those whom they have charged with protecting them were about to betray them." What is it about these things that the people cannot know? What is there to hide from them? Must we take this thing, as the German people must take it, unsight and unseen? Are we to be no more advantaged than our fallen enemy?

ANOTHER 14 POINTS

There are 14 points against the ratification of the peace treaty, as prepared by the National Republican Committee at Washington:

1. The Shantung provision is international piracy, bringing dishonor to any nation party to it.
2. Great Britain is given six votes to America's one, without justification in reason.
3. By entering the League America would abandon her traditional policy of non-interference in European affairs.
4. The Monroe Doctrine would be subject to interpretation by the League Council, as asserted by British officials without contradiction.
5. The United States would be bound to maintain armies in Europe to regulate purely European affairs.
6. Our constitutional provision that Congress shall have power to raise armies would be violated.
7. Domestic questions, such as immigration, tariff and coastwise trade, will come within the jurisdiction of the League if the foreign council so decides.
8. Insignificant nations, like Liberia, Hedjaz, etc., would have voting power in the assembly equal with the United States.
9. The United States would be bound to preserve the territorial integrity and political independence of every member of the League, many of them monarchies.
10. By bringing the charge that it involves a threat of war, any nation could require the United States to submit any question to the League for decision.
11. Article 23 requiring free transit and equitable treatment of commerce could be construed to forbid protective tariffs.
12. America, industrially and financially strong, would become the burden-bearer of the world.
13. The League covenant obligates the United States to give full and frank information concerning industries adaptable to war-like purposes, thus putting American industry at a disadvantage, since most important industries are of such character.
14. America has nothing to gain and much to lose by entering the League.

SAN CARLOS NOTES

The foundation for the home of Mrs. Elizabeth Livermore and her mother, Mrs. Cordelia Nye has been laid on their lot at the corner of Walnut and Cherry, opposite the Haydock home, and their bungalow will be rushed to a rapid completion so that they may move to San Carlos before the holidays.

Mrs. L. P. Hopkins and her sister, Mrs. Thos. Maloney of Redwood City, have each purchased fifty feet of lot 9, block 28, upon which they expect to erect new homes within a very short time. Their property adjoins the school grounds at the rear, while makes it interesting to note that there has been a greater demand for property in the vicinity of our new school house and in the same block than in any other part of town, yet a few months ago many thought that it would prevent the sale of home sites near or adjoining out school building.

Material is now being hauled to lot 9, block 18, which was purchased by Mr. Lind of San Francisco a short time ago. Mr. Lind intends to set up his tent and camp on his property while his new home is being built.

Mrs. George Gaspar who has made her home in Fort Bragg for the past eight years has disposed of her interests in Mendocino county and has come to San Carlos to make her future home with her son, Mr. Harvey H. Gaspar.

Mr. and Mrs. Andrew J. Johnson received a telegram from Gilroy to announce the death of Mrs. Amel Johnson, the young wife of Mr. Johnson's brother and the serious illness of his brother in a Gilroy sanitarium. Young Johnson was only recently married to one of San Martin's talented and accomplished young women.

The San Carlos Water company has been forced to lay 3000 feet of new water mains in order to take care of the new residents.

Mr. H. W. Engelberg, sales manager for the Severn Lodge Garage at Burlingame whose firm is the sales agents for the Scripps-Booth Chevrolet car and the Diamond T Traffic Truck was here last Tuesday to call upon his old friend the Mayor with his eye also out for business in this rapidly growing burg of ours.

Miss Margery Wilms of Lodi is here for a fortnight's visit at the home of her aunt, Mrs. Chas. B. Marvin. Eugene Eldridge who only recently returned from service across the pond was here with his mother to visit Mrs. Virginia A. Lord.

Mike Sheehan, the proprietor of the county hotel at Redwood City, when he gets badly discouraged on account of slack business at his unpopular hostelry comes to San Carlos to talk hard times with his oldest deputy, in point of service, who usually sends him away with the promise that he will do all he can to help him, particularly at the next election. The popular county sheriff was here admission day, and Old Mike is always a welcome visitor whenever he has the time to drop in on us.

Mr. E. E. Jones and family spent a very fleeting week in San Francisco while Secretary Daniels was in town.

D. L. Stewart and family with a party of friends were sitting in their machine near the spot at the time the Chinese aviators were maneuvering for a spot on which to land at the Marina without endangering the lives of the people on the ground. The aeroplane soared only a few feet above the Stewart machine just before the crash, and the Stewarts thought the aviators were only giving them an exciting exhibition and didn't realize their predicament until they shot suddenly upward to prevent striking a party near them and their engine failed and they catapulted to the earth with an awful crash near the Stewart machine.

Mr. and Mrs. J. M. Powers report a delightful fortnight's visit in and around Los Angeles and during the first visit to the Angel city and a pleasant ocean voyage to and from. The recent card party which was given under the direction of Mrs. D. L. Stewart was a splendid success as everyone reports a good time and a pleasant evening. Both Mrs. Stewart and Mrs. A. M. Plank favored the party with a vocal solo and Mrs. Foot played several instrumental selections. Mrs. John W. Farnham carried away the capitol prize and Miss Juanita de Lopez was awarded the booby.

THE UNIVERSAL CAR

Look out when having your Ford car repaired that the genuine Ford parts or materials are used. There are many "bogus" imitations, or counterfeits, so-called Ford parts of sadly inferior quality on the market. Be warned against them. Buy Ford parts and have your Ford car repaired by the authorized Ford dealer as this is the only way to guard against "bogus" parts. Bring your car to us for service. Come to us for Ford parts. Ours is an authorized Ford place.

MENLO PARK NEWS OF ALL SORTS

Doings at Peninsula Garden Spot As Told in Breezy Style By Our Reporters

A fierce fire started at the old Felix place near University Heights on Wednesday and swept to the Sharon properties that would have destroyed the mansion but for the prompt arrival of the Menlo Park fire department. The blaze was soon subdued by chemicals.

The Moose Club will be the scene of a card party next Friday night, September 19. Come and have an enjoyable evening at cards. The affair is to take place under the auspices of the Ancient Order of Foresters.

Word was received from the Adler's Sanitarium in San Francisco to the effect that George Nickel, young son of Mr. and Mrs. J. Leroy Nickel, who was shot by an erratic ranch hand near Los Banos last Wednesday, is resting nicely and will recover. He was shot through the right lung. His friends here are glad to learn that he will recover. He is a splendid young man, a credit to Menlo Park where he was born and raised by his parents to whom he is endeared. Mr. and Mrs. Nickel have the sympathy of this community in their sorrow.

John O'Dea, who left here with the 319 engineers a year ago, returned home last Sunday. His unit was one of the few of the Eighth Division that reached France. The 319 engineers were marching to the front and would have been in the thickest of the fray when the Armistice was signed. Young O'Dea saw service in England, France and Germany. Here is the way he puts it: "I would not take a million for my experience but would not give another cent to get more."

The formal opening of the engine house last Saturday night was a big event and will go down in history as one of the most enjoyable occasions of the year. The interior of the structure was neatly decorated while myriads of electric lights hung across the concrete front permitting all to enjoy the dance. Redwood City, Palo Alto, Atherton and other peninsula towns were well represented. Cold drinks were served during the evening at eleven o'clock refreshments were served. The carnival spirit that prevailed was a feature of the evening's gaiety. All enjoyed it, both young and old. Fred Nessler covered himself with glory in the manner in which he carried out the program and in the way he entertained the guests. There was not a hitch in the program. An orchestra from Redwood City furnished catchy music. The opening of the Menlo Park Fire Department engine house will long be remembered by those who attended the celebration. Two of the commissioners were present, A. G. C. Hahn and C. W. Marwedel.

James Lane, the famous rider and Rodeo performer, has leased the Russell stables recently vacated by the San Francisco Riding school, and will stable his string of racers there until next summer when the riding school will return.

Frank O'Brien, assistant secretary of the K. of C. but at the base hospital, left last Sunday for Seattle to assist the secretaries of the Knights of Columbus there in entertaining the sailors of the Pacific fleet during their stay in the north.

E. A. Canfield, Grace Canfield, Mrs. G. H. Preston, Della Preston and Henry D. Dye has purchased ten acres of land on Berkeley avenue and the Bay Road in the Coleman tract. They expect to erect four neat bungalows at once.

William Hagedorn, a resident of the Coleman tract, jumped from an evening train beyond the station last Saturday evening, receiving some severe lacerations of the head and face. He was bleeding profusely when picked up and removed to the Peninsula hospital. Hagedorn failed to hear the brakeman call out the name of the station and did not realize he was at Menlo Park when the train be-

gan to pull out. His injuries are not serious.

D. P. Flynn, trustee of the Selby estate, is constructing several roads through the Selby lands at Atherton. These streets or roads are to be properly graded and paved with material that will endure for all time. Mr. Flynn is preparing the tract for the big rush of home seekers that will come down the peninsula next spring when the electric road is to be constructed through the county to Palo Alto. The tract is one of the choicest in the state, fronting as it does on the highway and stretching back to the rolling hills.

Fremont post of the American Legion of California will have representation at the first annual convention to be held in San Francisco on October 8, 9, and 10. The American Legion is the national association of world war veterans, and the Fremont post is the local unit which takes in the returned service men of Palo Alto, Stanford, Mayfield, Los Altos and Menlo Park.

Mr. and Mrs. Atherton Macondray returned last week from a trip to the Orient. The Macondrays left some four months ago for Japan, where Mrs. Macondray remained, while her husband continued on through Siberia. Upon finishing his business in Siberia, Mr. Macondray rejoined his wife and they left for the United States. Although Macondray, Jr., is visiting his parents, while on a furlough from the Annapolis training station, where young Macondray has a year more of training. He was one of the four Palo Alto boys that left some two years ago, to enter training as midshipmen. Miss Mary Elena Macondray is a debutante of this season, and has been one of the season's most popular maids. Her sister, Miss Inez Macondray, is a sub-debutante, having graduated from Miss Harker's school last June.

The Dolan Wrecking and Construction company is about to close its office and sales yards here having disposed of nearly all its Camp Fremont buildings and building materials. The venture of the concern was very successful, upwards of \$50,000 worth of buildings and materials were sold to the public. The principal sales were made to local people and to the surrounding country. Their San Francisco yards are doing a big business. The Dolan Wrecking company's prices are very low and therein lies the concern's success. All orders sent from here to the San Francisco yards will receive the same attention which made the concern so popular and so successful while at Menlo Park.

Charles A. Shurtleff, who recently purchased the Nutter home in Menlo Oaks, has awarded a contract to Weeden Brothers for the erection of several outhouses consisting of a pump house, cottage, washhouse, green house, shop, etc. The work is to be completed in 60 days at a cost of \$5,356. Mr. Shurtleff is one of the prominent attorneys of San Francisco. He has joined the army of commuters down the peninsula. Mr. Shurtleff and his interesting family are much impressed with Menlo Park.

Redmond Cochrane who was to have come to New York with General Pershing from France was disappointed and was almost heart broken because he was prevented from coming owing to illness. He was on General Pershing's staff while in France. Young Cochrane is confined to a K. of C. hospital in Paris. He is expected home in a few weeks.

Mr. Paul Reinwald, employed by C. W. Marwedel, has invented and perfected a very useful and necessary garden implement in the form of a usual size rake with this improvement, the rake, in which the teeth are constructed and arranged so that leaves and other debris may be raked from grass lawns, gravel walks and hard pavements without scratching or scraping or injuring the surface. The rake is strong, durable, light and inexpensive. Mr. Reinwald has applied for the patent.

WOODSIDE NOTES

Superintendent of Schools Roy W. Cloud, has appointed L. A. Farmer as Julia McDonnell trustee of the Portola grammar school district. Mr. Hallett and Mrs. Silva, the former recently moved from the district.

Miss Christine Mary Brown of Palo Alto and Ivan Aldace Loomis, a graduate of Stanford, were married among the redwoods at Woodside on Saturday, September 6, at high noon. The service was read by the Rev. Hugh Montgomery of Menlo Park.

The bridal party which gathered in the shade of the trees was made up of the Misses Annette and Helen Hooper, Clara McKeen, Luella Hilbald, Bernice Loomis and Hildegard Beatty, bridesmaids; Miss Lorraine Brown, sister of the bride, maid of honor, and little Betsy Beatty, flower girl. The bride, herself, was effectively gowned in white satin, with a conventional veil of tulle caught with orange blossoms. Her maid of honor wore pale pink georgette and carried a shower bouquet of roses. The bridesmaids were a harmonious picture in exquisite tints of yellow, violet and green, with wide picture hats and old-fashioned nosegays. The little flower girl was daintily in white net over pink, carrying forget-me-nots and baby roses.

John A. Hooper, uncle of the bride gave her into the keeping of the bridegroom.

Mrs. Loomis is a graduate of Miss Harker's school and has hosts of friends in Palo Alto, where she has made her home with her cousin, Mrs. I. H. Beatty. Loomis is a man. Both were overseas with naval base hospital unit No. 2 and recently returned to this country. Their home for the present will be Arroyo Grande.
